

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Ordered—That the sums of £2 17s. 9d. and £2 7s. 10d., presented respectively to Mr. Thomas Bradley, and now in the Treasurer's hands, be placed to the credit of the City ; and that Mr. Bradley be required to put the following into proper repair within a fortnight, or, in default thereof, that he and his sureties be sued, viz.—154 perches of the road from Kilkenny to Callan, between Blackmill and the municipal boundary at White's-bridge ; 28 perches of footpath from Kilkenny to Killenaule, between the Hibernian Hotel and the borough bounds on the Kilcreene road, and the bridge on the Cork road.

Ordered—That the Treasurer do pay, in advance, the following presentments, made at this Assizes, out of any balance in his hands after this Assizes, and available for that purpose, viz. :—

	£	s.	d.	
No. 11—	1	10	0	to Barrister's Crier.

We order that a Committee consisting of the first five members of this Grand Jury, to wait upon the County Grand Jury for the purpose of having a conference relative to the old Workhouse premises, with a view to converting it into a City Gaol.

We order that the following communication from the County Grand Jury be entered on the Minutes, and that the attention of the next City Grand Jury be called thereto, viz :—

“ We propose to refer the present available value of the buildings at the old House of Correction, on the Kells road, to the opinion of two professional valuers—one on the part of the City Grand Jury, and one for the County, and, in case they differ, to have the power to appoint an umpire ; and we recommend the next Grand Jury to give said buildings and land at such valuation to the City, should they choose to accept of it (they of course paying all rent and taxes from the time of such transfer), out of such valuation the proportion of the expenses of said buildings, which the City at first contributes, is to be deducted ; namely, if the City contributed one-tenth, or a greater or lesser proportion, to be allowed out of the valuation, this to be sent to the Secretary of the City Grand Jury.”

(Signed on behalf of the Grand Jury of the

We order that P. J. Dillon, Esq., our new Secretary, do apply to the representatives of the late Secretary for all books and documents appertaining to the office of Secretary of the Grand Jury of this City.

We present the amount of Solvent Arrears collected since last Assizes, to be £16 17s. 3½d.

We present and order that the following memorial be forwarded to the Lord Lieutenant, relative to the Kilkenny District Lunatic Asylum :—

To His Excellency the Earl of Carlisle, Lord Lieutenant-General and General Governor of Ireland.

The Memorial of the Grand Jury of the City of Kilkenny, assembled at Spring Assizes, 1855,

Respectfully Sheweth,

That the maintenance of the District Lunatic Asylum for the County and for the City of Kilkenny causes a heavy local taxation on Memorialists, and on their fellow-citizens' ; and that such cause of taxation should be diligently supervised by the rate-payers, or by local representatives on their part on the Board of Governors and Directors.

That the number of Governors and Directors on the present Board is twenty-seven—of these, six are *ex-officio* members, whose attendance to the routine business of the establishment is rare and uncertain, and whose membership may be regarded as honorary; and that sixteen other Governors and Directors live at a distance from the establishment, which must preclude acquaintanceship with a proper fulfilment of the duties they have to discharge; and their attendance to the business of the Board is inconvenient to themselves, and occasional.

That it is for the most part difficult, in consequence of the distance of residence, and other formation of the Board of Governors and Directors, to find a quorum to transact the necessary business of the establishment, and that it would be most desirable if the citizens of Kilkenny were more fully represented on the said Board than they are.

The Memorialists are of opinion it would be decidedly to the advantage of the Lunatic Asylum, and a preventive of excessive taxation, and productive of general satisfaction to the rate-payers, if a greater number of immediate residents were on the Board of Governors and Directors than there are at present; and Memorialists respectfully suggest that the High Sheriff of the City of Kilkenny for the time being, Thomas Hart, Henry Potter, and Thomas Jones,

Esqrs., all Magistrates of the Borough of Kilkenny, and John Power, Esq, J.P., resident in Kilkenny, be added to the present Board of Governors and Directors of the District Lunatic Asylum of Kilkenny.

And Memorialists will pray.

 Sm. 1855—No. 33—£6 14 0 presented to James Walsh.

We present the amount of Solvent Arrears paid since last Assizes to be £33 15s. 8½d.

The letter of Sir Thomas Deane and Charles Layon, Esq., mentioning their appointment as Commissioners under the 4th section of the 18th and 19th Victoria, chap. 109, and stating their intention of visiting Carlow Lunatic Asylum after the Assizes, having been submitted to the Grand Jury—

Resolved—“That the foreman, Daniel Smithwick, Esq., and James M. Tidmarsh and Thomas Bradley, Esqrs., be appointed a Committee for the purpose of conferring with the said Commissioners, and of affording them every information in their power to lead to a favourable adjustment of the claim of this City.”

Moved by Thomas Bradley, Esq., and seconded by John Callanan, Esq. :

“That it is the opinion of this Grand Jury, that the Police should not in future call on the Coroners to hold Inquests in this City without having first received the sanction of the Mayor and another City Magistrate.”

Moved by James M. Tidmarsh, Esq., and seconded by Joseph Wright, Esq., and passed unanimously, the entire of the Grand Jury having been present:

Resolved—“That this Grand Jury cannot separate without expressing its marked satisfaction at the

extreme lightness of the calendar at this Assizes, and the complete tranquillity and perfect freedom from all crime which pervades, and has long pervaded, in the City of Kilkenny, while they have learned with surprise and regret that an increased number of Police has been added to the Kilkenny force ; such being, in the deliberate opinion of this Grand Jury, uncalled for and unnecessary ; and that under such circumstances an increased tax upon the cess-payers of Kilkenny for the maintenance of such Police would be a gross wrong and a grievous injustice."

Moved by Thomas Bradley, Esq., and seconded
by James Sullivan, Esq.:

"That a Memorial in accordance with such resolution be prepared and forwarded to his Excellency the Lord Lieutenant."

Moved by Thomas Power, Esq., and seconded by
Thomas Dunphy, Esq.:

"That the foregoing resolutions be inserted in the local newspapers."

Moved by James M. Tidmarsh, Esq., and seconded
by James Sullivan, Esq.:

"That twenty-five fly-sheets containing the Solvent Arrears be printed for the next Grand Jury, with the Names of the Occupiers of each Premises."
